

Profile of Jago Nari

Background of Jago Nari: JAGO NARI has started its initiatives in 1998 as a non political, non profitable, right based and non government Organization. Jago Nari committed to participate in promoting national development through upgrading the socio economic condition and protecting the rights of the disadvantaged and poor communities of the society.

Vision: Setting up an equitable, capable, democratic and peaceful society without poverty and injustice in the country in which every person enjoys their rights to a life with dignity.

Mission: To support the poor and most vulnerable people especially women and to improve their quality of life. These services are principally, protection, education, healthcare, children who are socially and economically disadvantaged, living in the urban and rural settings of Bangladesh to reduce poverty and injustice through providing a range of rights- based services designed skills training, socio-economic development and participation.

What Jago Nari stands for: We speak out for the rights of every child and every woman in villages where communities are illiterate. We defend human rights as well as child rights in rural and urban areas. JAGO NARI campaigns peace, security and the articles enshrined within the UNCRC. We work towards complimenting the millennium Development Goals. We work for equal rights for

A women & child rights organization: JAGO NARI provides a range of rights based support to women and children through a holistic approach. It works with children complies with the United Nations child rights conventions .The organization believes that childhood means much more than the space between birth and the attainment of adulthood. Childhood refers to the state and condition of a child’s life-to the quality of those years.
