Dear Ms. Christiana Figueres,

The Ministry of Natural Resources and Environmental Protection of the Republic of Belarus expresses its gratitude to the Secretariat of the United Nations Framework Convention on Climate Change in the context of negotiation process on preparing a protocol, another legal instrument or an agreed outcome with legal force under the Convention applicable to all Parties.

The Ministry of Natural Resources and Environmental Protection of the Republic of Belarus has the honor to communicate intended nationally determined contributions of the Republic of Belarus.

We hope that the agreement will work effectively in practice and will reach the intended target.

Sincerely yours,

Minister of Natural Resources and
